Sir:

COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

With the Notice of Allowability dated March 30, 2007, the Examiner provided a statement of reasons for allowance. Although Applicant agrees with the Examiner's ultimate conclusions that the claims are patentable because the prior art does not teach or suggest the features set forth in the claims, Applicant does not necessarily agree with each and every characterization and assertion contained in the Examiner's statement.

Furthermore, it is understood that the Examiner's characterizations were for purposes of referring to the prior art and do not in any way imply that the claims are limited by words not actually present in the claims. Therefore, unless expressly noted otherwise, Applicant declines to subscribe to any statement or characterization contained in the Notice of Allowance and its accompanying Reasons for Allowance.

Applicant respectfully requests that these Comments be entered, any extensions of time required to enter the Comments be granted, and any additionally required fees not otherwise provided for be charged to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
